Business Presentation

Introduction

At ABDEJ Nigeria Limited, we believe every challenge presents an opportunity for innovation. We are committed to delivering reliable, high-quality, and value-driven solutions that empower businesses, institutions, and communities.

Driven by integrity, excellence, and a customer-first approach, we build lasting partnerships by delivering innovative solutions that drive sustainable growth, enhance operational efficiency, and create long-term value across diverse industries.

Company Overview

ABDEJ Nigeria Limited is a dynamic Nigerian company dedicated to delivering innovative, reliable, and value-driven solutions across diverse industries. As the successor to Abdej Nigeria Enterprises, we combine experience, professionalism, and a customer-centric approach to meet the evolving needs of businesses, institutions, and communities. Our commitment to quality, integrity, and operational excellence enables us to build lasting partnerships, drive sustainable growth, and create meaningful impact through every project and service we deliver.

Our Vision

To become a trusted Nigerian engineering services leader, recognized for technical excellence, responsible operations and long-term value across power, industrial and marine markets.

Vision 01

To deliver reliable, safe, and standards-driven engineering solutions that improve the performance, efficiency, and lifespan of our clients' power systems, engines, and heavy equipment.

Vision 02

To build a sustainable engineering organization that drives operational reliability, develops technical expertise, and creates long-term value across Nigeria's industrial, marine, and energy sectors.

Our Mission

To deliver safe, reliable and standards-led engineering solutions that keep critical power and heavy equipment operating at peak performance—on time and to each client's specification.

Mission 01

To deliver reliable, safe, and standards-driven engineering solutions that improve the performance, efficiency, and lifespan of our clients' power systems, engines, and heavy equipment.

Mission 02

To provide responsive engineering services tailored to each client's requirements while building lasting relationships through technical excellence, integrity, and dependable support.

Our Solutions

Abdej Nigeria Limited provides integrated engineering solutions that help businesses maintain reliable power, protect critical equipment, and reduce operational downtime. We sell, service, maintain, and overhaul Caterpillar, Perkins, and Cummins generators, industrial engines, and marine engines. Our expertise also covers Caterpillar earth-moving equipment, generator prime movers, component repairs, and the sourcing of dependable replacement parts.

Solution 02

Pitch Deck

Our Services

Power and Engine Solutions

We sell, service, maintain, and overhaul Caterpillar, Perkins, and Cummins generators, industrial engines, and marine engines to improve reliability and reduce downtime.

Service 01

Equipment, Fabrication and Technical Support

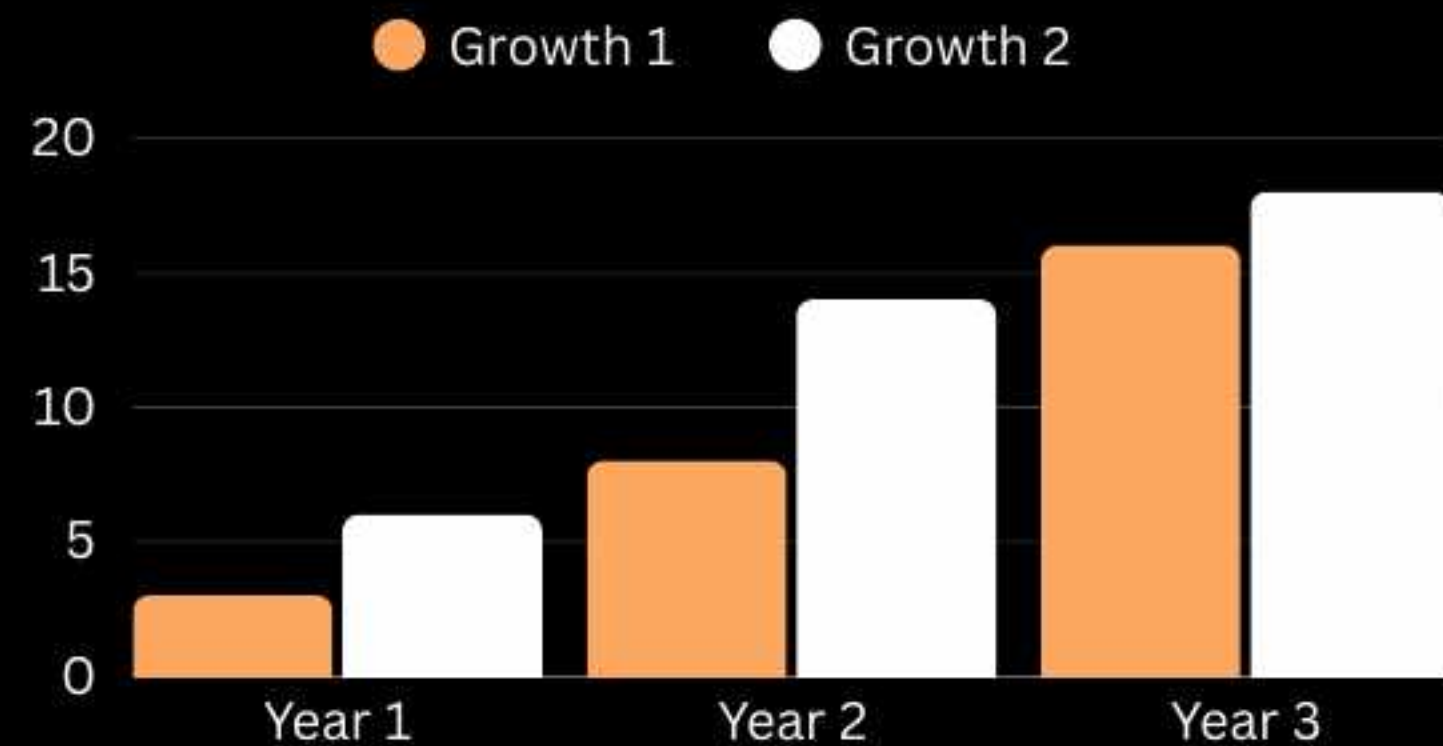

We maintain Caterpillar earth-moving equipment, repair and source components, fabricate hoses, pipelines and tanks, and provide technical consultancy and training

Service 02

Power Systems and Electrical Engineering

We design and optimize power systems, including generator synchronization and ATS setup, to ensure safe, efficient, and uninterrupted power delivery.

Market Analysis

Nigeria's demand for reliable power and equipment-maintenance services continues to grow as businesses seek to reduce downtime and improve productivity

Abdej Nigeria Limited is positioned to capture this opportunity through integrated engineering solutions and dependable maintenance support.

Growth projection: Year 1 — 15% | Year 2 — 25% | Year 3 — 10%
